

Get Animated! Create Animated Videos for English Language Learners

Project Title	Get Animated! Create Animated Videos for English Language Learners
Project Summary	Like using technology? Have a love of the English language? The U.S. Department of State's Virtual Student Foreign Service (VSFS) eInternship program may have a project for you!
Country	United States
Agency	Department of State
DoS Office	ECA/A/L
Post	N/A
Section	N/A
Number of Interns	2

Project Description

The Office of English Language Programs in the Bureau of Educational and Cultural Affairs at the U.S. Department of State is looking for a virtual intern to help with creating short, animated videos for English language learners. If you have a passion for the English language and experience using GoAnimate (or have the desire to learn before the internship begins), then apply for this Virtual Student Foreign Service eInternship project! Applicants with experience or educational background in English language teaching (TESOL, applied linguistics, etc.) preferred.

Desired Skills Interests

Skill
Digital media
Graphic design
Proofreading
Video design
Education
English language teaching

Additional Information

You will be working directly with the office's social media manager who develops the majority of the content for our American English Facebook page. You will be expected to complete at least 8 short animated videos during the academic year.

The videos will be published on our very active American English Facebook page (with nearly 3 million followers) and will reach a wide, global audience of English language learners and teachers. You can see the work of our eInterns from this past year on our American English Facebook page (<https://www.facebook.com/AmericanEnglishatState/videos>) and YouTube channel (<https://www.youtube.com/user/StateAmericanEnglish>).

Language Requirements

None
